KAUFFMANN GETS FIRST SEBACK

Knocked Out in Seventeen Rounds by Jack O'Brien.

PHILADELPHIAN TOO SMART

IS CASE OF GREEN AMATEUR AGAINST PROFESSIONAL.

San Francisco, Oct. 27.—It took Jack O'Brien, a veteran of 20 fights, seventeen rounds tonight to knock out Al Kauffmann, who fought his second battle as a professional. Kauffmann took a beating such as has seldom been received in the history of San Francisco fights. Kauffmann, a husky 19-year-old boy, who is credited with a punch, but could not land it on the shifty man from Philadelphia. O'Brien's side-stepping, ducking and general footwork was a marvelous exhibition of skill. Kauffmann, with all his strength, could land only an occasional blow that never hit a vital spot. O'Brien, cool and self-possessioned, danced in and out, hitting the youngster almost at will.

Kauffmann's Eye Closed.

Early in the fight Kauffmann's left eye was closed and his nose commenced to bleed. In spite of the terrible punishment administered to him the boy kept after his experienced adversary and on several occasions rallied and fought back in a manner that brought the spectators to their feet. In the seventeenth round a succession of left punches to the jaw staggered Kauffmann and then O'Brien put over a right cross to the jaw and the California boy fell to the mat, his head striking with great force.

Was Strong and Willing.

Kauffmann showed that he is strong, willing and game to the core, but he lacks experience and skill as a boxer when compared with a man like O'Brien. Kauffmann, who is a graduate of the Olympia Athletic club, has fought a number of battles as an amateur and resigned when he became a professional. He was a hot favorite at odds of 10 to 6. Most of the wagers were made at even money that Kauffmann would not win within fifteen rounds. The top-heavy odds, however, was influenced by a great deal by sentiment and not by the actual chances of the two contestants.

AGGIES ACCEPT CAMPBELL.

Logan Students Line Up For Their Coach and From Now on Will Boost Football.

(Special to The Herald.)

The Agricultural college students have at last accepted Coach Campbell, unreservedly. At chapel hour yesterday the students took charge of the assembly and spirited talks were made by several of the leading students which urged the burying of all differences and uniting in support of the team. Then cheers were practiced and songs sung with the old-time enthusiasm. Saturday, when the Aggies play All Hallows, the entire school will be there with the big hurrah for the team.

Already the effect of the new decision of the students is apparent. Instead of fifteen or sixteen men being out in suits for practice, Campbell had forty out tonight, and there is the assurance of Maaden, Wanggaard, Nelson, Goff, Egbert and other old players who have returned to come out this year. While it is still early, it is even asserted that Captain Roberts will now come back to school and that Quarterback Penn may be prevailed upon to play.

BASEBALL GAMES OFF.

Cantillon Will Not Make Western Trip of All-Star Teams.

The big league baseball games between stars of the National and American leagues is all off. Some time ago Manager Cantillon of the Milwaukee Baseball club wrote Harrison O. Shepley of Salt Lake, asking for dates for the game and they were given to him. Yesterday Cantillon wrote to Shepley that he was unable to get the men together he wished, and would, therefore, have to call the game off. Shepley said he could bring a couple of good teams west, but that he was unable to get the stars he wanted. The game, which was to have been played at Salt Lake, was called off.

MELLODY BEATS PETERSON

Latter Knocked Down and Begins an Argument With Referee, Which Ends in Rough House.

Spokane, Wash., Oct. 27.—"Honey" Melody of Boston won his third knockout fight before the Spokane Amateur Athletic club tonight when he sent George Peterson to the mat for the final round. The fight, which had been scheduled for a twenty-round bout, was a waterweight. The knockout punch followed two minutes of fierce fighting. Melody, after a minute of the fight, landed a straight left to the face, catching Peterson slightly off his balance. Peterson was not hurt, but sat on the floor and started an argument with Referee Quinn. The referee of the bout precipitated a melee, but Peterson was not cowed out and the fight was resumed after a delay of several minutes. Eleven hundred people saw the fight.

Lowe of Lawrence, Kan. Second Mr. Path. Curran, owner of the cup, gave a purse of three hundred dollars for the winner. Sixty-four dogs were entered in the Waterloo. New York, owned by J. C. Bryant of Nebraska, won the Waterloo purse race. All extra races were called off. The American coursing board, headed by S. Bartlett, Denver, president; P. Williams, Minneapolis, vice president; R. L. Hoffman, Enterprise, Kan., secretary and treasurer, probably will hold the next year's coursing will be at Wichita.

Letter From Iver Lawson.

A letter was received yesterday by The Herald from Iver Lawson and Floyd McFarland of Paso Pango, Rio Grande, Australia. Lawson said both he and McFarland were feeling fine, and that they were but a week away from the promised land.

HAS ONE MORE APPEAL.

Albany, N. Y., Oct. 27.—The court of appeals today denied the motion for a re-argument of the appeal of Albert T. Patrick from conviction of murder in the first degree and sentence of death for the killing in 1900, of W. H. Rice, an aged millionaire of New York City. The motion was made Oct. 24 by former United States Senator David B. Hill. Senator Hill said today this afternoon that he hoped to carry the Patrick case to the United States supreme court.

GOLFERS DOWN TO SEMI-FINALS

Tourney For Country Club Championship Rapidly Nearing End.

IS BIG EVENT OF SEASON

LINDSAY, HALE, THOMPSON AND M'GURRIN TO FIGHT IT OUT.

The big annual tourney for the championship of the golf links at the Country club has narrowed down to four men—Fred A. Hale, J. Walcott Thompson, Frank E. McGurkin and W. D. Morse. Lindsay and within the next couple of days the person who is entitled to have his name engraved on the Leyson cup as this year's champion will be known. For the past week the club's leading golfers, sixteen in number, have been putting in their best efforts until the contest has narrowed down to the above mentioned four.

The surprise of the play thus far is the work of Lindsay, who is touted as the new star of the club. He surprised the talent by beating Harkness, rated as one of the club's best players. It was Harkness who made the best score in the Butte match, as well as the best score in the qualifying rounds for the present tournament, and many selected him as the man who stood the best chance to win the championship this year.

Lindsay and McGurkin Today.

Lindsay and McGurkin meet on the links this afternoon and the latter, one of the club's old war horses, will have to be up to his best form to win. McGurkin was the runner up last year and the year before, and matched against Lindsay, with both in top form, ought to make one of the best contests in the present tournament.

Hale and Thompson meet in the semi-finals, and here another great contest is expected. This pair have been rivals ever since the championship series was inaugurated and for this reason, if not other, a hard fought contest is looked for. The winners of the matches meet in the finals.

The finals will be for thirty-six holes, match play, and the winner of this is the one who will have the honor of seeing his name on the Leyson cup, which has to be won three times to decide final ownership.

UTAH GRIDIRONS ARE BUSY TODAY

Varsity Champs Play Soldiers on Cummings Field.

ALL HALLOWS AT LOGAN

SALT LAKE HIGH MEETS OGDEN IN JUNCTION CITY.

On nearly every gridiron in the country important football games are scheduled for today, and Utah will have its share. Salt Lake, Ogden and Logan each have an opportunity to show their best teams in action, and in each case there is a great amount of interest in the game.

At Cummings field, in Salt Lake, the Utah champions, the East Benches, line up against the Soldiers. This game is of more than passing importance to the boys, as it will probably decide the players Maddock will take to Colorado with him next week when he meets Boulder.

Today's game at the "Varsity" will find Anderson and Earl Benion fighting it out for left end. Ray will have his first try as a tackle, while Chris Russell, Gardner and Sutton will work to see which takes Barton's place at guard. Varsity heads center and Hennessy the other guard, while Peterson and Pitt will be found in their old positions. Scranton and Herbst are to be given a trial at quarterback, and Harris and Brown at right half, while "Cuddy" Russell and Fred Benion keep in their old places.

Hard Game Expected at Ogden.

The two rival high schools, Salt Lake and Ogden, will meet at Ogden this afternoon. If one can depend on the dope handed out during the past two weeks, this is because the year before last, Ogden defeated Salt Lake in a game which was a hard fought battle. Ogden has the heavier team, and it is said to be better coached than ever before. The reason they expect to win from the West Siders. While Ogden is probably physically better, Salt Lake will find the fastest bunch it has been up against for many a day. What the West Side students will do is to make up in speed, and this combination is a dangerous one in any game.

The All Hallows' festival for Logan yesterday afternoon and play the Aggies there this afternoon. This game is almost a formality for the Aggies, but it is a fine opportunity to see the Aggies play outclass the collections in weight. Coach Freeman H. Bassett said yesterday his team would average 32 pounds, which is light for even a high school team. The Aggies will go many pounds heavier than this, and should therefore have an easy time of it.

Boulder Plays Kansas.

A game which is probably of more interest to Salt Lake than any of the others is the Boulder-Kansas game at Denver this afternoon. This game is a hard fought battle, and it is said to be a fine opportunity to see the Aggies play outclass the collections in weight. Coach Freeman H. Bassett said yesterday his team would average 32 pounds, which is light for even a high school team. The Aggies will go many pounds heavier than this, and should therefore have an easy time of it.

WEIGHT OF BOULDER TEAM.

Coach Andrews Gives Lineup of Colorado's Crack Organization Which Expects to Beat Utah.

Coach Andrews of the Boulder team has given out the line-up which will play against Utah at Boulder next Saturday. He has also given the weights of the players. They are much lighter than expected from the description given by the Denver university team, but it is more than likely that Andrews' weights are on a par with the story he told in Salt Lake about his going to California to arrange a game with Stanford, when in truth he was in Salt Lake to get next to Maddock's play.

The line-up given out by Andrews is as follows:

Player	Height	Weight	Age
Salisbury, L. E.	5-9	165	17
Leahy, L. E.	5-10	165	17
Coffin, L. T.	5-8	167	16
Boote, L. T.	5-8	169	16
Sarr, L. T.	5-8	169	16
Farnsworth, C. E.	5-6	178	17
Roller, R. G.	5-8	183	17
Jordan, R. G.	5-8	183	17
Christensen, R. E.	5-9	188	17
Trudgian, Q. B.	5-9	165	17
Wilson, Q. B.	5-8	132	16
Moore, L. H. B.	5-8	125	16
Knowles, L. B.	5-7 1/2	170	16

Soccer Meeting Tonight.

President Servis of the Salt Lake Association Football club has called a meeting of the club for this evening at Fred Sanborn's home. The meeting is to discuss plans for the soccer game for the rest of the season. All players are invited to attend, and it is hoped that a large number of the club members will be present.

RATE QUESTION WASN'T SOLVED

Rival Conventions Met Again in Chicago Yesterday.

RESOLVED AND ADJOURNED

ROOSEVELT'S PLAN IS POPULAR WITH ONE BUNCH.

Chicago, Oct. 27.—The rival interstate commerce law conventions resumed sessions in Steinway hall and Studebaker hall tonight. All prospects of consolidation of the two conventions seemed to have vanished.

Steinway hall convention, the so-called "regular" body of delegates, assembled today. Former Lieutenant Governor Campbell of Iowa took occasion to deny a report intimating that he was a Socialist. Incidentally, he criticized Mayor Dunne's municipal ownership ideas. Murdo Mackenzie of Trinidad, Colo., president of the American Stock Growers' association, predicted that congress at its next session would adopt radical railroad rate legislation and would surprise the most ardent supporters of President Roosevelt's policy.

Convention of the "Antis."

At the Studebaker hall convention, where the so-called "anti" delegates gathered, the resolutions committee was not prepared and would not be presented until later in the evening.

Several resolutions were then presented by delegates. One, which was received with enthusiasm, was made by Delegate Lane of Alabama, who made a plea for careful consideration of the transportation problem. In speaking of the need of immediate legislation, Mr. Lane said:

"This is a fighting age. The interests of the different railroads of the country could agree on a blanket law of rates which would be fair to all. The day of the demagogue and the Socialist, and we must stop and consider things in their right light before those forces run riot with us."

D. M. Parry of Indianapolis made an address at the convention, in which he pointed out the need of a permanent organization.

"We want our work to continue," he said, "until this dispute is finally settled. If it can be done, it can be done."

Charles Davenport caught the fancy of the resolutions committee, and the method recommended by President Roosevelt for the supervision of rates, classifications and practices.

Session of "Regulars."

At the Steinway hall convention Joseph H. Call of California presented the report of the resolutions committee. The report, specifically agreeing that the method recommended by President Roosevelt for the supervision of rates, classifications and practices.

St. Germain, Vermont, a leader of the "anti" movement, said that the transportation companies intended to organize the business men in every voting precinct in the country to fight against the rate legislation and oppose the election of every candidate who will not agree in advance to vote against the transportation companies.

"We are not going to let them do this," he said, "and we must fight hard to win. Victory will be ours."

The resolutions were adopted. J. C. Keel caused laughter by declaring that he believed Texas would go Republican at the next national election. If President Roosevelt is a candidate for reelection, Texas, he declared, will go Democratic.

President Roosevelt, said Delegate Keel, is a candidate for reelection. I think Texas will be for him on this freight rate legislation issue.

The finance committee submitted a report recommending that a fund of \$50,000 be raised to be used in the campaign for Washington during the next session of congress to work for the passage of the desired legislation. The plan of the committee was adopted.

TIPMAN QUITS IN EIGHTH.

Young Corbett Has All the Better of Fight Until Accident Prevents Further Scraping.

Baltimore, Oct. 27.—Just after the bell that closed the eighth round of what was to have been a fifteen-round bout between Young Corbett of Denver and Joe Tipman of this city, before the Eureka Athletic club tonight, Tipman seemed to have a spasm of pain and almost fell from his chair. It was at first claimed that he had broken a bone in his right hand, but after his glove had been removed and he had been almost carried to his dressing room it was announced that the injury was the straining of a ligament of the thumb.

Referee O'Leary gave the fight to Corbett. To all appearances it would have been his last bout gone on. Tipman apparently entered the ring scared, and Corbett did his best to keep him so, being actively on the aggressive from the start.

Tipman was handicapped by pounds of fat that he would have been much better without, while Tipman seemed in the best of condition. The latter showed few marks at the end, while Corbett was cut and raw.

Tipman showed himself to Corbett at keeping away, and in the fifth round Corbett seemed tired. In the next round Corbett gave the fight to Corbett. was approved and \$5,000 of the fund was raised by contributions made by its delegates. After an invitation had been received to hold the next meeting at Houston, Tex., the convention of the so-called "regulars" adjourned sine die.

Resolutions of "Antis."

When the Studebaker hall convention resumed business the following report of the committee on resolutions was read:

"We declare as a fundamental basis of our deliberations and of our purpose in unquestioning faith in the wisdom, integrity and high purpose of President Roosevelt, our appreciation of his influence, which permeates every branch of government, every industry and all developments of the entire nation, and our confidence in his leadership. We recommend definite action by this convention looking to the establishment of a permanent organization which shall be representative of every state and territory in the Union and shall be the nucleus for all further work that shall become necessary hereafter to carry out the expressed will of this association. To that end we suggest the selection of a general committee which shall be charged with the duty of presenting to congressional committees on interstate and foreign commerce during the next session the action of this convention. We are unitedly opposed to conferring upon the Interstate Commerce commission, or to any appellate agency, the power to prescribe specific rates for transportation, believing that such action would prove a dangerous experiment, inimical to the best interests of commerce and the continued development of this country."

"Recognizing existing evils connected with the transportation interests of the country, viz.: All forms of rebates or favoritism extended to one individual or locality to the disadvantage and detriment of others, providing car lines, industrial terminals, or switching lines, manipulation of freight classification, unfair and unequal distribution of freight equipment, etc., we demand the most rigid enforcement of laws which, if found to be inadequate, should be so amended as to provide speedy, efficient and permanent relief."

"We recognize the great and almost universal dissatisfaction with the interstate commerce laws as now administered or enforced as one to the delay in reaching a determination of questions demanded early and final settlement, and we urge upon congress the imperative necessity for passing the necessary machinery for relief."

OUTLINED THEIR WORK.

Joseph Geoghegan of Salt Lake Vice President of the "Antis."

Chicago, Oct. 27.—Both conventions of the interstate commerce law league adjourned sine die today without making any efforts at reconciliation, and as a consequence there will be two regularly organized bodies working in the interests of railroad rate legislation. The title of the new association after much discussion was selected as the Federal Rate Regulation association. S. W. McLaughlin, the temporary chairman of the "anti" convention, was elected president of the organization and an executive board of vice presidents from the different states represented was elected by different state delegations and ratified by the convention as a whole.
